

Searching YouTube for correctly captioned videos

1. Enter your search term (for this example, I'm searching for videos on mountains of Colorado) in the YouTube search field.
2. Add a comma followed by cc at the end of your search topic.
3. Hit enter and all videos on YouTube that are correctly captioned regarding mountains of Colorado will appear.

Searching Google for correctly captioned videos

Google owns YouTube, but they also offer a separate [Advanced Video Search](#) over the entire Web. Type "Advanced Video Search" in the search box on Google's main page.

1. Fill out the Advanced Video Search fields that you are looking for at the top of the form.
2. Select "Subtitles: closed captioned only" field to narrow the results.
3. Hit Enter or click the Search Videos button. All captioned videos on the web will appear regarding your topic.

Find videos with...
